

Ideal for any establishment—clean grounds help maintain your business image.

Original Smoker's Cease Fire® Cigarette-Butt Receptacles

Keep entrances clean from cigarette litter—fire tested and approved for safety by FM Approvals

Made of flame-retardant and sturdy polyethylene, this low maintenance smoker's friend won't rust, dent or crack. Innovative self-extinguishing design safely collects unsightly cigarette litter and reduces the risk of fire. Tie-down notches offer security and greater stability under severe weather conditions.

Units include a galvanized steel bucket that collects thousands of butts. For maximum cleaning convenience, use optional disposable bucket liners. Once bucket is full, simply twist-tie closed and throw away!

Personal Smoker's Cease-Fire® features a compact design measuring 11-in diameter by 30-in high (762 x 279-mm) for use alongside chairs, poolside loungers, and on small patios. It has the same self-extinguishing design as the larger Original Smoker's Cease-Fire® and includes a small, 1-gallon (4-liter) pail suitable for lighter smoking traffic areas.

Large covered head dissipates heat and keeps rain out

A 1-1/2-in (38-mm) opening easily accepts butts and discourages waste from being dropped in

Extinguishing spot

Molded-in graphics easily identify opening for cigarette butt disposal

Large internal neck cavity minimizes clogging

Broad 16-1/2-in (419-mm) base for stability

Patent: US 6,626,322 B1

Attractive design in five colors hides cigarette litter

Elite™ Smoker's Cease Fire® Cigarette-Butt Receptacles

Attractive contemporary styling with fire safe construction approved by FM Approvals

Hide unsightly cigarette butts and reduce the risk of fire. Polyethylene construction features a large stainless steel snuffer that discourages use of top to put out cigarette. Keeps unit clean from stains. A steel pail inside removes for easy cleaning and can be fitted with optional bucket liner. Compact carton saves on shipping costs. Optional cable kit available for severe weather or security.

Optional burn resistant aluminum/poly liner makes it easy to clean. Once liner is full, simply remove bag liner, close it off with included twist-tie, and discard. Large steel pail is included.

Three popular colors complement many settings.

Simply drop in lit cigarette or use perforated snuffer.

Heavy Duty Butt Cans

Position slim-styled smoking receptacles with self-extinguishing design near entryways to encourage proper cigarette disposal. Fire-safe galvanized steel two-piece base with neck features a tough powder coat finish to resist rust and a polyethylene top to keep out rain. To empty, untwist compression nut where neck meets the base—no separate screws to lose. Use in outdoor industrial settings such as factories, backdoor entrances, alleyways, loading docks, and service and repair shops.
